

Omnipod[®] System and Dexcom or Eversense CGM Data Integrated in Insulet Provided Glooko!

How? Patient must connect their Dexcom or Eversense account to their Glooko account. Once connected, their Omnipod[®] System and CGM data will be available in Glooko.

Patient can connect by following these 3 simple steps:

- 1** Log into Glooko account on **my.glooko.com**
- 2** Click **Settings** in the top right
- 3** Scroll to the bottom and click **Connect Dexcom Account** or **Connect Eversense Account**

Insulet Corporation
100 Nagog Park
Acton, MA 01720
978.600.7850

Don't forget to enter your clinic's ProConnect code into your account!

That way, you can upload your Omnipod[®] System at home and your healthcare provider will be able to see your latest data.

If you have any questions about Glooko,
please contact Glooko Support:
