Section 1: Customer Information

Title*		Name*		Date of Birth*	
Parent/Guardian Name (if applicable)		Street Address*			
Phone No.*		Suburb/City*			
Email Address*		State*		Postcode*	

Please read and indicate your acceptance of all of the following important items by ticking each check box (please note that if you do not indicate your acceptance, Insulet Australia Pty Ltd will not be able to provide you with access to the Product Familiarisation Program (**Program**) and the products and ongoing support):

- ☐ I understand that the Program is a limited one-month program during which the Omnipod DASH® System (**Omnipod**) is offered to new customers at a significantly reduced cost for a short period, acknowledging that until Omnipod obtains a government subsidy, the relatively high cost of Omnipod compared to conventional insulin therapies may present a barrier to patients who wish to try Omnipod to see if it is right for them.*
- ☐ I understand and acknowledge that use of Omnipod involves an ongoing periodic cost, the full, unsubsidised amount of which is between \$403.50 - \$420.00 per month dependent on purchase quantity.*
- ☐ I understand that if I participate in the Program, I will also become eligible (subject to additional terms and conditions) to participate in a further Subsidised Access Program which will provide me with access to Omnipod at a reduced cost for an additional limited period of time.*
- ☐ I understand and acknowledge that if I wish to continue to use Omnipod after (i) the end of the Program and (ii) the subsequent end of the Subsidised Access Program described above (to the extent to which I participate in it), I will have to pay the full, unsubsidised, ongoing cost of Omnipod described above.*
- ☐ I understand and acknowledge that while Insulet Australia Pty Ltd is presently seeking government subsidisation for use of Omnipod by patients with Type 1 diabetes:
- there is no guarantee that Omnipod will become eligible for government subsidisation in the near future or at all, for some or all patients with Type 1 diabetes; and
 - Insulet Australia Pty Ltd is not presently seeking subsidisation for use of Omnipod by patients with Type 2 diabetes, and there is no present prospect that Omnipod will become eligible for government subsidisation for use with Type 2 diabetes at anytime in the future,
- ☐ and therefore if I wish to continue to use Omnipod after the end of the Program and the subsequent end of Subsidised Access Program (to the extent to which I participate in it), I may need to bear the full, unsubsidised, ongoing cost of Omnipod for a substantial period of time or indefinitely.*
- ☐ I confirm that I consent for Insulet Australia Pty Ltd to use my personal information related to my use and ordering of Omnipod to complete my order, to provide ongoing product and customer support and to improve the services within Insulet Australia Pty Ltd, as described in the terms set out in this form below under the heading 'Insulet's Use of Your Information'.
- ☐ I agree to the Terms and Conditions set out in this form below.

Please tick if the following applies (optional):

Please indicate your acknowledgment of the following by ticking the check box:

- ☐ I have explained to the customer the financial implications of accessing Omnipod pursuant to the Program as described in the check boxes which the customer is required to acknowledge in Section 1 of this form above, including but not limited to the following points:
- The Program is time-limited nature and involves a significantly reduced cost during that period compared to the full, unsubsidised, ongoing cost of Omnipod (which is between \$403.50 - \$420.00 per month dependent on purchase quantity);
 - If the customer wishes to continue to use Omnipod after (i) the end of the Program and (ii) the subsequent end of the Subsidised Access Program in which the customer will become eligible to participate, they will have to pay the full, unsubsidised, ongoing cost of Omnipod until such time as Omnipod may be eligible for government subsidisation;
 - For customers with Type 1 diabetes, there is no guarantee that their use of Omnipod will become eligible for government subsidisation in the near future or at all; and
 - For customers with Type 2 diabetes, there is no present prospect that Omnipod will become eligible for government subsidisation for use with Type 2 diabetes at any time in the future.*

Other restrictions may apply. Cancel at any time. These Product Familiarisation Program terms and conditions are subject to change.

Insulet's Use of Your Information

Insulet Australia PTY LTD collects and uses your personal information, including health information, for the following purposes; to complete your order, to provide ongoing product and customer support, and to improve the services within Insulet. In particular, we need to process information concerning your health (e.g. details about your diabetes treatment). We may share your personal information, including health information, with third parties under the following circumstances and to the extent permitted by law; with our service providers and business partners that perform customer support services and other business operations, with Insulet Group companies which will use your personal information in accordance with our privacy policy; with law enforcement agencies, court, regulators, government authorities or other third parties in order to comply with legal or regulatory obligation, or otherwise to protect our rights or the rights of any third party.

Our use and sharing of your personal information may involve the transfer, storage, and processing of your personal information in a country outside of Australia. We have put in place safeguards (such as contractual commitments) in accordance with applicable local legal requirements to ensure that your data is protected. We retain your personal information for as long as we have a relationship with you, and for a period after you are no longer a customer, taking into account our legal obligations and regulators' expectations, as well as the amount of time necessary for us to maintain records for analysis and audit purposes and to exercise and defend our rights.

Please see our Privacy Policy at <https://www.Omnipod.com/en-au/privacy-policy> for more information about how we collect and use your personal information. You have certain rights regarding your personal information (including your Medical Information), subject to local law. These include the right to access your personal information and the right to rectify the information we hold about you. You also have the right to object to our use of your personal information and you can withdraw your consent to our receipt of your personal information at any time. If you would like to discuss or exercise any of these rights, please contact us using the contact information set out below.

We are committed to working with you to obtain a fair resolution of any complaint or concern about privacy. If, however, you believe that we have not been able to assist with your complaint or concern, you have the right to make a complaint to a data protection authority, e.g. to the data protection authority which is supervising the Insulet entity that services Australia, the Office of the Australian Information Commissioner (<http://www.oaic.gov.au/>).

For more information about how we use personal information, please see our privacy policy at <https://www.omnipod.com/en-au/privacy-policy>. If you have questions or concerns regarding the way in which your personal information has been used, please contact our Data Protection Officer at dataprivacy@insulet.com.
